Villagers.

2. As these endeavours
in the interests of order
and public safety have
been of no avail, I beg to
suggest

I don't think that a mere order to the Police for an occasional patrol will be of much use - & The Dy Comrs shd be called upon & issue a Cir & concerned the various amildars & explain to all Villagers what is required of them. (with copies of Cir for distribution to all Police & Village Officials in the Vicinity of the gates) The amildars & Police Supts & minor Rev & Police officers shd make an occasional patrol till the rule is brought into practical force. At the end of one year the results shd be reported to Govt. The Dy Comrs to be directed to furnish returns as per Cir orders as above & the Govt will issue orders as to the prizes to be awarded by each Dy Comr

Central Jail Press, Bangalore.—17-6-91.—503.

Suggest that orders may be issued for occasional patrol of all lines of Railway in this State by police with the view of the Villagers being compelled to keep the gates closed at Road Crossings of the 3rd Class and where no gate men are posted.

Apparently such neglect is common throughout India, and has resulted in order of the Government of India that henceforth all Road Crossings on fenced lines of Railway shall be manned to the increase of working Expenses and consequent decrease of Net Earnings.
